

You're home free

Qfree Manual Shades give your window treatments the elegant, aesthetically pleasing appearance that is the hallmark of QMotion shades, including the same small, uniform 1/2" light gap. They can coordinate beautifully with your automated shades, and both small and large sizes can use the same system. Incredibly quiet and surprisingly affordable, Qfree Manual Shades are an excellent and stylistic solution wherever child safety might be a concern.

- Integrated braking system.
- Fully compatible with QMotion automated shades, fascias and brackets.
- Available on shades as large as 96" x 96" and as narrow as 14" wide.
- Same small, uniform 1/2" light gap as automated QMotion shades for the most uniform light filtering or blocking.

Qfree Manual Shades offer chainless operation with affordable elegance and child safety at your finger tips.

Won't roll over the top.
Safe by Design - No cords or chains.
